### 2. Marks

Marks A, B and C will be inflatable orange pillar buoys.

Marks 1 and 2 will be inflatable orange pillar buoys **flying blue flags**.

The Start Mark (SM) will be a red dan buoy.

The Inner Mark (IM) will be a blue dan buoy which will also be the Finish mark.

### 3. The Course

The course is shown on the next page.

### 4. The Start

4.1 Boats will start between the Committee Boat (CB) Little Arvor, flying an orange flag and the Start Mark.

**4.2 On all subsequent laps boats will pass between CB and IM when sailing from Mark C to Mark A (or Mark 1).**

4.3 Races will be started as follows, changing rule 26. Six minutes before the first start in a sequence of starts the Warning Signal (Class Flag) for the first class will be displayed. At three minutes the Preparatory Signal will be displayed. At the start of the first race the displayed class flag will be removed and the next class to start will have its flag displayed. The preparatory flag will remain flying until the start of the last race of the sequence. Sound signals for the first race will be made at 6 minutes, 3 minutes and the start and then only at every start thereafter.

### 5. Race Duration

There will be no fixed number of laps, and boats should continue to sail the course as described until signalled otherwise.

### 6. Finish

The race will normally be signalled as shortened after competitors have rounded Mark C by flying code flag "S" from the Committee Boat. **Boats will finish between the Committee Boat and IM** or the Race Officer may, at his entire discretion, decide to finish the race at a rounding mark. In that case the finish will

be between a RIB flying a blue flag and an S flag and the nearby rounding mark, finishing in the direction from the last mark.
